
***Christ came to teach us
agape love, a new way
to love in the world.***

But we all know how hard it can be to embody this love in our daily lives – especially in our marriage! This program lifts up the Christian message of love and teaches a step-by-step process to grow that love into our marriage.

Based on the bestseller *Getting the Love You Want* by Harville Hendrix & Helen LaKelly Hunt, *A New Way to Love* allows you to experience healing in your marriage at a core spiritual level.

You will learn to...

- Build a solid foundation for your marriage
- Co-create a relationship vision
- Acquire skills to manifest that vision
- Practice a new way of talking that dissolves conflict and sustains connection
- Celebrate your marriage as a container for God's growth and healing

This workshop is open to all committed couples

***Whether your
relationship is thriving
or barely surviving,
this workshop will
provide the tools to
rediscover your
marriage!***
